Dirty Pair: Sim Hell 3rd Edition Adam Warren

The Dirty Pair face their greatest challenge yet when Kei confronts the awesome horror of her employee evaluation! It looks simple: simulations are generated by the Central Computer to test her responses, but when a mysterious malfunction traps Kei in virtual reality, Yuri must enter the sim to save her from a series of increasingly nightmarish scenarios. From outer space to the ocean depths to the infinity of cyberspace, can Kei and Yuri survive the simulated — but still lethal — terrors of the apocalyptic "Nanoclysm"? This "remastered" collection of the classic, long-out-of-print DP series blows it up for the 21st Century with the addition of eye-popping, state-of-the-art colors by GURU eFX! This edition includes a bonus Dirty Pair short story, never before seen in color, and an extensive gallery section!
