Judith Bode:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
