The notorious gangster Lai Changxing started out as an illiterate farmer, but in the tumult of China's burgeoning economy, he seized the opportunity to remake himself as a bandit king. A newly minted billionaire of outsized personality and even greater appetites, he was a living legend who eventually ran afoul of authorities. The journalist Oliver August set out to find the fugitive Lai. On his quest he encountered a highly entertaining series of criminals and oddball entrepreneurs—and acquired unique insight into the paradoxes of modern China. Part crime caper, part travelogue, part trenchant cultural analysis, August's page-turning account captures China's giddy vibe and its darker vulnerabilities.
