Don't hate Liz for her brazen sexual talents. Don't hate Liz because men crave her. It's not her fault that Jack has a serious S&M kink. It's not her fault that he owns a massive fortune. And you can't really fault Liz when he takes her home, from the forbidden club she stars in. Can you? Are we to blame Liz when she accepts his proposal and stunning engagement ring? Surely not, I mean a girl's got to get by somehow, right? I suppose you might find fault when she seduces Jack's partner. And sure, some blame, for her smoke screen series of grisly S&M murders. But somehow a girl's got to get by. So maybe we're not surprised when Liz corrupts Dave, a gullible Columbus detective. And we're not really shocked, that to further her plot, she exploits him. And soon we're not amazed to learn; that her plot is to end Jack, and Dave, and anyone else who stands in her way, so she can plunder Jack's millions. Which of us is sinless? Which of us, deserves to blame her? I mean really, let's be fair, a girl's got to get by... somehow.
