With the nation on the verge of war, security takes on new meaning for Secret Service Agent Cameron Roberts, whose lover just happens to be the President's daughter.

First daughter Blair Powell and her "secret" Secret Service agent lover, Cameron Roberts, intend to get married - with her father's blessing. But being in the spotlight isn't the safest place to be in a country still reeling from 9/11 and with the domestic terrorists who tried to assassinate Blair still at large.

Cam doesn't want to give up the reins of control when Blair's life is at stake, but there are other dangers at home and abroad that the President needs her to investigate - including the whereabouts of her previous lover - Valerie Ross. The next in the Honor series is novel of romance and intrigue in a world gone mad.
