Innocent bride or treacherous temptress?

As the nobility jostles for the new King's favour, Maddy is all alone. Landless and friendless, she is now beginning to suspect that someone wants her dead... So she accepts a bridegroom she has never met, intending to find peace at home.

But peace is in short supply when Maddy marries Sir Geraint, a powerful protector and a passionate man. Fiercely loyal to the King, Geraint cannot trust his Yorkist bride... but neither can he resist her innocent temptation!
