The Benefits and uses of a Pre-K School Planner for Teachers Planners for Preschool Teachers. As a preschool teacher, there is not a lot of set instructional time. The day is usually broken down into structured play and learning activities. Without a planner a preschool teacher may feel overwhelmed with all the play. A planner can help the teacher to structure the day so that the children do not become too bored with any one topic. A preschool planner should be fluid and allow for changes to be easily made. One of the ideas behind preschool is getting the child ready for kindergarten and by having set times to do certain activities the children will be better prepared for the next year.
