Registro de Imóveis para Profissionais do Direito (Portuguese Edition) Tatiana Passos

Esta obra é fruto de um dos mais completos estudos sobre o funcionamento do Registro de Imóveis no Brasil, desde o ingresso no serviço público delegado, até os princípios que regem todo o sistema de registro imobiliário. Especialmente dirigida a profissionais registradores, tabeliães, magistrados, advogados e demais profissionais do direito, é, também recomendada a loteadores e profissionais da construção civil, como construtores e incorporadores na medida em que facilita a compreensão do complexo universo registral, com suas implicações legais no mundo prático. Redigida em linguagem simples, clara e objetiva, a obra é inédita e oportuna, principalmente, por analisar casos práticos sob a luz legislação vigente e de seus fundamentos teóricos. Importante dizer que este estudo é resultado, não apenas de considerações teóricas, mas, fundamentalmente, da experiência da autora no exercício da designação do 2.º Ofício de Registro de Imóveis da Comarca de Balneário Camboriú-SC. As dificuldades vencidas no dia-a-dia, bem como a preocupação com qualidade da atividade de registro de imóveis que se presta à comunidade, foram fundamentais no sentido de caracterizar a obra como instrumento de apoio, enriquecida com modelos e apêndice legislativo atualizado, tornando-a, assim, verdadeiro guia de uso diário.

We recommend that straight away because this e-book has good vocabulary that will increase your knowledge in vocab, easy to understand, bit entertaining but still delivering the information. The article author giving his/her effort that will put every word into delight arrangement in writing Registro de Imóveis para Profissionais do Direito (Portuguese Edition) yet doesn't forget the main position, giving the reader the hottest and also based confirm resource data that maybe you can be among it. This great information may drawn you into completely new stage of crucial pondering.

Edgar Villanueva:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Registro de Imóveis para Profissionais do Direito (Portuguese

Edition) can make you feel more interested to read.
