Shannon Malone wakes from a coma ten years after a diving accident to find that nothing in her previous life is the same. Waking up to the news that she's thirty years old would have been daunting enough . . . but she also learns that her young groom, Edmund Ridgeway, recently lost his battle with cancer.

Shannon's elderly aunts flit through her life, trying to save her from Millicent, Edmund's evil sister, as she tries to bar Shannon from any claim on the Ridgeway fortune. Shannon's gorgeous doctor, Daniel Petros, becomes Shannon's tour guide into a whole new world of madness, where reality television has taken over the planet and everyone's life appears to revolve around a tiny screen on their cellphones!

Can Shannon navigate to a happy ending, even when her heart keeps asking, "Why, God?"
