## **The Rachel Papers (Vintage International)** Martin Amis

In his uproarious first novel Martin Amis, author of the bestselling *London Fields*, gave us one of the most noxiously believable -- and curiously touching -- adolescents ever to sniffle and lust his way through the pages of contemporary fiction. On the brink of twenty, Charles High-way preps desultorily for Oxford, cheerfully loathes his father, and meticulously plots the seduction of a girl named Rachel -- a girl who sorely tests the mettle of his cynicism when he finds himself falling in love with her.
