Forrest Shepherd is convinced she's right. About what's best for her brother and his horrible girlfriend, Olivia. About her mother's need for control. Most of all, she thinks she's right about Scott, the first cute guy to hit on her.

But on the Shepherds' annual summer vacation, Forrest discovers that her safe world of family and friends is riddled with deception. Her brother, her mother, Olivia, Scott . . . she really doesn't know them at all, and Forrest is left wondering what it means for the most important relationships in her life to be built on lies.

Thirty Sunsets is a story of secrets and personal traumas that shake a family to its core . . . and the healing that arises when hard truths emerge.
