Buzz Kill Beth Fantaskey

Putting the dead in deadline

To Bee or not to Bee? When the widely disliked Honeywell Stingers football coach is found murdered, 17-year-old Millie is determined to investigate. She is chasing a lead for the school newspaper – and looking to clear her father, the assistant coach, and prime suspect.

Millie's partner is gorgeous, smart—and keeping secrets

Millie joins forces with her mysterious classmate Chase who seems to want to help her even while covering up secrets of his own.

She's starting to get a reputation...without any of the benefits.

Drama—and bodies—pile up around Millie and she chases clues, snuggles Baxter the so-ugly-he's-adorable basset hound, and storms out of the world's most awkward school dance/memorial mash-up. At least she gets to eat a lot of pie.

Best-selling author Beth Fantaskey's funny, fast-paced blend of *Clueless* and *Nancy Drew* is a suspenseful page-turner that is the best time a reader can have with buried weapons, chicken clocks, and a boy who only watches gloomy movies...but somehow makes Millie smile. Bee-lieve it.

From reader reviews:

Bruce Brown:

The book Buzz Kill can give more knowledge and also the precise product information about everything you want. Why must we leave a very important thing like a book Buzz Kill? Some of you have a different opinion about book. But one aim that book can give many information for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or details that you take for that, you may give for each other; it is possible to share all of these. Book Buzz Kill has simple shape nevertheless, you know: it has great and big function for you. You can appearance the enormous world by wide open and read a publication. So it is very wonderful.

Edward McClung:

In this period of time globalization it is important to someone to get information. The information will make professionals understand the condition of the world. The fitness of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. Typically the book that recommended for your requirements is Buzz Kill this e-book consist a lot of the information from the condition of this world now. That book was represented how do the world has grown up. The language styles that writer use for explain it is easy to understand. Typically the writer made some research when he makes this book. That is why this book acceptable all of you.

Evelyn Wiley:

On this era which is the greater man or woman or who has ability in doing something more are more precious than other. Do you want to become one among it? It is just simple way to have that. What you must do is just spending your time little but quite enough to possess a look at some books. On the list of books in the top collection in your reading list is definitely Buzz Kill. This book and that is qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking upwards and review this guide you can get many advantages.

Nicholas McNeal:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Buzz Kill can make you really feel more interested to read.
