For ghost lovers who long for the adventure of the real thing, "Ghost Stalkers" Terry L. Smith and Mark Jean have created the first comprehensive travel guide to more than 200 haunted hotels and bed and breakfast inns in America. Many locations have never been found in any other ghost book. Covering all 50 states, every region of the country is featured, with profiles of the most active and attractive haunted bed and breakfast inns and hotels in each state. Includes facts about the history, accommodations, food, entertainment, and most importantly, the supernatural activity. Each hotel and inn is ranked from one to five ghosts based on the "haunted activity" level. Entries also include fascinating eyewitness interviews, haunted rooms, and behind-the-scenes stories of the resident ghosts at each inn and their startling, moving, and surprising encounters with visiting humans. Many of America's most famous hotels and popular bed & breakfasts are highlighted. Perfect for planning an adventure-filled weekend getaway or just armchair reading. Includes black-and-white photographs and covers all 50 states. Along with places you can stay for the night, a bonus section includes a special listing of Ghost Tours across America. Walking and driving tours in 21 states are represented.
