High in the Streets Matthew Binder

One day Lou Brown decided to kill himself. But when he sat down to craft a suicide letter, the simple act of committing words to the page was like opening up a window to his mind, allowing the whole world to shine. His book went on to become a runaway bestseller, making him a literary icon, earning him all the trappings of the American Dream. It's now five years later and the obligations that come along with great success have robbed him of the freedom he values above all else. When Lou suspects his fiancé of an infidelity, he moves into the Frontier Motel, setting himself up for a week-long adventure where he'll once again learn to buck convention, indulge in his honest appetites, and follow his uninhibited instincts.
