The Power to Write: Seven Keys to Discover Your Writer Within Caroline Joy Adams

A writing workshop in a book! Writing teacher and artist/calligrapher Adams knows the tremendous power of the written word. And she has made it her mission to put into action her belief that everyone can experience and enjoy this power and the fruits of her or his own creativity. Many can write, but few do. Why? Fear stops us, Adams writes. Fear, not knowing how to get started, and the lack of inspiration. Having discovered these truths while teaching her numerous writing workshops, Adams has put them into The Power to Write and created a writing workshop in a book. Readers can use it alone or form their own groups.
