**Waiting for the Cubs: The 2008 Season, the Hundred-Year Slump and One Fan's Lifelong Vigil** Floyd Sullivan

This is a memoir of a diehard--a diehard fan who drove himself and his family half crazy to get to Cubs games that were 700 miles away from their home. Along the way Sullivan recounts the history of Cubs baseball, including events from the 1908 season, as well as reminiscences from other fans and stories of his own experience following a team that has gone a century without attaining that final win that would make them world champions.
