## American Grown Michelle Obama

Since its first planting, the White House Kitchen Garden has sparked a new conversation about nutrition and our children's health. In *American Grown*, First Lady Michelle Obama tells the story of the White House Kitchen Garden, celebrates the bounty of gardens across our nation, and reminds us all of what we can grow together.

Setting a new standard for illustrated eBooks, *American Grown* offers a beautifully designed and screen-optimized layout for color devices that takes advantage of the best features of each device. This eBook offers new ways to experience more of the White House Kitchen Garden with features that include:

- Even more lush photography and historical images
- Timeline of the White House grounds through the years
- Delicious recipes not found in the physical book
- Tips for healthy living, including information on creating nutritious meals on a budget and ways to increase the fruits and veggies in your diet
- Helpful tips for gardeners including composting, a starter kit, and seasonal to-do lists
- A satellite view of the White House Garden
- A section for families with a bio of Bo, additional photographs, details on easy plants for kids to grow, and great snacks
