This book does not require any prior knowledge of Photo Editing or Photoshop, but it will take you far beyond the basics. A painless, no-risk way to learn Photoshop in amazingly little time. 12 Hours of Video Training and 221 pages of Text and Illustrations. Al Judge's unique approach to teaching Photoshop will eliminate intimidation and have you creating amazing images in record time. This book has no prerequisites. You will learn Photoshop from the ground up. If you have never edited a photo in your life, you will quickly learn what is possible and how to do it. If you are already using Photoshop, you can jump past the foundational chapters and get right into the fun stuff. Some things that you will learn about Photoshop. •How to customize your workspace for maximum efficiency. •How to open, close, save, and arrange images. •How Layers, Selections, and Layer Masks make Photoshop so powerful and non-destructive. •How to remove unwanted objects from an image in a matter of seconds. •How to create Art from ordinary Photos. Ultimately, Photoshop is about technique. If you know the best techniques, you can do some things in minutes that might otherwise take hours or days. You won't be an expert when you finish this book, but you will know enough to become one quickly if you have the desire. Photoshop is amazingly easy to use and user-friendly once you learn the basics and a few advanced techniques. Some Professional Photographers farm out their image editing to Photoshop Professionals because they are intimidated by the power and complexity of the program. This guidebook is written by a Professional Photographer in a way that will give you the skills to use the program immediately without the frustration and intimidation. There are thousands of helpful videos about Photoshop topics on YouTube but familiarity with the program is assumed in most cases. You will find these videos difficult to follow unless you know your way around the program. Once you are comfortable with Photoshop, you can design your own curriculum for advanced studies. Each thing that you learn will make the next topic easier to understand and implement. This is a no-risk proposition. Amazon will give you seven days to return the KINDLE VERSION for a full refund.
