New Testament Greek Workbook: An Inductive Study of the Complete Text of the Gospel of John

James Arthur Walther

In this new edition, the Greek text of the United Bible Societies is used throughout. The beginning student is involved at once in reading Greek and learns grammar and syntax as he encounters them in the text. Each unit of the workbook contains three parts—vocabulary, study notes, and end-of-unit quizzes. The vocabulary is introduced as it occurs in the text. Study notes are designed to aid the student in translating the text and to supplement the teacher's help. End-of-unit questions help the student consolidate what he has learned.
