Seeing Red: A Woman's Quest for Truth, Power, and the Sacred Lone Morch

Seeing Red: A Women's Quest for Truth, Power, and the Sacred is an intimate memoir about one woman's search for personal power—a journey of climbing inner and outer mountains that takes her to the holy Mt. Kailas in Tibet, through a seven-year marriage, and into the arms of the fierce goddess Kali, where she discovers her powerful, feminine self.

This is the story of Denmark native Lone Mørch's transformation—a story of love and passion, and also a story of self-betrayal. After realizing that she's given up on herself, Mørch has to strip herself bare, lose everything she's held dear, and tear down everything she's ever built in order to reclaim her life and sense of self. As much a memoir about coming into one's own as it is a love affair with the Himalayas, Seeing Red takes the reader on an unforgettable journey of creation and destruction.
