Turn This Car Around: The Roadmap to Restoring America Robert Ehrlich

Our nation has become one full of apologies and Politically Correct (PC) statements. It's time for the true right to make a political comeback. Former Governor Robert Ehrlich has written the roadmap – *Turn This Car Around*. He urges the American public to make a real change and address (with him) the issues of union strangleholds, Obamacare, a failed stimulus package, soaring energy costs and high unemployment, the race-card, the Living Wage war, bipartisanship and other heated topics. Ehrlich notes that our education system is not meeting the needs of our children, race relations have been derailed and the family structure is crumbling. This needs to change. There is too much at stake for the country and our culture.

Turn This Car Around is a call to action, and a blunt collection of dispatches from America's culture wars, retold by a former state legislator, congressman, and governor who fought on the front lines. Bob Ehrlich recounts the contentious battles he waged in the widely recognized liberal state of Maryland, and provides insightful suggestions to help resolve many of the issues in America.
