Indulge in a tale of intrigue, history and romance that recalls one girl's personal history from today back into ancient times. Pinky, a young college student with a tortured past, is learning to live her life in a "normal" way because she prefers to not stand out in a crowd. While earning extra credit for her History class at the local Renaissance Faire, Pinky finds her present existence and her past memories melding together as her mind interweaves tales of Pinky's long-ago life. Travel back, into Pinky's previous lives, when the Warrior and the Priestess, Aimi and Tyr, were joined by a love so fierce and by a silent way of communication so intense, that their history and love spanned over centuries. As Pinky shares her stories and dreams, her memories Awaken.
