Community 101: Reclaiming the Local Church as Community of Oneness Gilbert Bilezikian

Authentic community is essential if the church is to remain true to its God-assigned mission. As the title indicates, the interrelated concepts of community and oneness are presented in this book. Gilbert Bilezikian lays a biblical foundation for this call to community by showing the centrality of community in the sweep of salvation history -- its loss in the Fall, its reclamation through Christ, and its ultimate realization in the New Jerusalem. Bilezikian proceeds to describe how community can be expressed in the daily life of the church, from small groups to various forms of ministry to church leadership. Focusing on oneness, this book presents a paradigm that can renew the vision of the church in this postmodern society and confirm the authenticity of its message.
