#1 *New York Times* bestselling author Fern Michaels masterfully blends adventure, redemption, and rich emotion to explore all the ways that love can come to heal us. . .

Atlanta homicide detective Patrick "Tick" Kelly turned his back on the world the day his wife and children were murdered. Holed up in a beach shack on Mango Key, Florida, he drowned his grief in Jack Daniels. Now sober and a bestselling author, Tick would gladly stay a recluse forever if his brother Pete didn't keep trying to drag him back to the land of the living.

After years of sacrificing her personal life in favor of her DEA job, special agent Kate Rush resigned and moved back to her native Miami. But the unofficial assignment that has just come her way is too intriguing to pass up. She and a fellow ex-agent are relocated to Mango Key to keep an eye on an imposing, mysterious fortress believed to be at the center of a human trafficking ring. At first, the Kelly brothers are suspected of involvement, but Kate is sure Tick poses no danger--except for the slow-burning gaze that makes her breath catch and her heart race. . .

"A page-turner. . .the perfect blend of mystery, adventure and romance." --*The Charleston Mercury*

"[A] thrilling read ripped from today's headlines." --*RT Book Reviews*
