True Love (And Other Lies)

Whitney Gaskell

True Love (And Other Lies) Whitney Gaskell

Travel writer Claire Spencer doesn't believe in fate, much less any part of that fairy tale, happy ending, love at first sight stuff. Especially not for Amazon-sized women like her. So when Jack, the sexy man who sits next to her on a flight from New York to London, asks her out, Claire figures there has to be a catch. Is he blind? Sleazy? On the rebound? But she decides to accept, and finds herself smitten and a little frightened at how happy she is with how fast things are moving.

While in London (on assignment for Sassy Seniors! magazine), Claire is also looking forward to seeing her best friend, Maddy, one of those impossibly gorgeous, if-I-didn't-love-her-I'd-hate-her women who's got everything in the world going for her--except that, for the first time in her trouble-free life, Maddy has just been dumped...by Jack. Claire's finally met what seems to be the perfect guy, and now the only way she can have him is by betraying her best friend. It's almost enough to make Claire believe in Fate, but if Fate does exist, it seems intent on screwing her over.

From the Trade Paperback edition.
