Checkpoints: A Tactical Guide to Manhood Brian Mills, Nathan Wagnon

Society today rejects the idea of absolute truth and is openly hostile toward God. For boys who want to be more like Christ, going through adolescence in this culture is like crossing a minefield without a map. They need parents and youth workers to engage with them early and equip them with the skills needed to thrive. *Checkpoints* plots a course through this enemy territory that not only steers young men toward godliness but also explains how to avoid potential pitfalls. *Checkpoints* honestly talks about the core issues boys face, opening a vital dialogue between fathers and sons, pastors and students. Key takeaways:

- Created by student pastors with 20+ years in ministry
- 8 lessons
- Written in a devotional style
- Guys spend just 15 minutes each day to prepare them for their small group time.
