Haunted Massachusetts

Thomas D'Agostino

Haunted Massachusetts Thomas D'Agostino

Massachusetts, the birthplace of America, is home to some of the most fascinating haunts in the world. Colonial ghosts still watch over their ancient inns in Concord and Charlemont. A railroad tunnel under the Mohawk Trail is doomed by the spirits of those who perished while digging it. The unearthly shrieks of a banshee in Marblehead chills the very marrow of those who must endure its curse. And phantom trawlers ply the waters near Gloucester. You will also experience tales of reincarnated souls, haunted lighthouses, mythical creatures, and remains of ancient civilizations. Investigations into haunted mansions and taverns reveal that the people of the past still reside with those of the present. Glowing gravestones, witches, ghost towns and haunted quarries are among the encounters that will bring you to the edge of alarm. Forty-one towns and cities hold legends and mysteries that stretch beyond the imagination into the chilling realm of the macabre. Follow, if you dare.
