Love & Rockets: New Stories #3 Gilbert Hernandez, Jaime Hernandez

After Jaime's two-part super-hero epic from Love and Rockets: New Stories #1 and #2, Love and Rockets New Stories returns to its dramatic roots with the most acclaimed comics story of 2010, the Harvey and Ignatz Award-winning "Browntown", a harrowing story about child abuse set during the years in Maggie's childhood when her family moved from Hoppers to a desert ghost town. This issue also features "The Love Bunglers", in which Ray finally gets his date with Maggie. On the Gilbert side of the ledger, "Scarlet by Starlight" is a story of humans exploring alien terrain, one of whom gets caught up in the natives' mating season with a furry creature who bears a striking resemblance to Fritz. "Killer/Sad Girl/Star" picks up the "Sad Girl" character from LRNS #2, and how no one in her family takes her budding film career seriously.
