Shadows in the Sun: Travels to Landscapes of Spirit and Desire Wade Davis

Ranging from the British Columbian wilderness to the jungles of the Amazon and the polar ice of the Arctic Circle, *Shadows in the Sun* is a testament to a world where spirits still stalk the land and seize the human heart. Its essays and stories, though distilled from travels in widely separated parts of the world, are fundamentally about landscape and character, the wisdom of lives drawn directly from the land, the hunger of those who seek to rediscover such understanding, and the consequences of failure.
