Sociologia do ensino médio: crítica ao economicismo na política educacional (Portuguese Edition) Nora Krawczyk

Este livro parte da necessidade de recuperar o papel da sociologia crítica na formulação de políticas educacionais. Com esse propósito, a organizadora, Nora Krawczyk, convidou para compor a obra um grupo de pesquisadores nacionais e internacionais cujas pesquisas muito contribuem à compreensão do rumo atual da educação, em particular do ensino médio. São trabalhos de cunho sociológico, contrapostos ao economicismo, hoje hegemônico, que procura fazer da experiência empresarial um modelo para a educação.
