## The Death of Death in the Death of Christ John Owen

*The Death of Death in the Death of Christ* is a polemical work, designed to show, among other things, that the doctrine of universal redemption is unscriptural and destructive to the Gospel. Those who see no need for doctrinal exactness and have no time for theological debates that show divisions between evangelicals may well regret its reappearance. Some may find the very sound of Owen's thesis so shocking that they will refuse to consider his book at all. It is to those who share this readiness that Owen's treatise is offered, in the belief that it will help us in one of the most urgent tasks facing evangelical Christendom today - the recovery of the Gospel.
