**US-UK Counter-Terrorism after 9/11: A qualitative approach** Edgar Tembo

This book provides a qualitative analysis of post-9/11 counter-terrorism strategy undertaken by the United Kingdom and United States of America.

Since 9/11, both the UK and the U.S have significantly revamped their counter-terrorism approaches. The approaches apply, to varying degrees, three key policy instruments – intelligence, law enforcement and military force. However, the success or failure of these counter-terrorism strategies has never been satisfactorily validated. Analysts and policymakers alike have assumed success due to the inability of terrorists to conduct 7/7 and 9/11, respectively, scale attacks upon each state. This assumption has existed despite the fact that it fundamentally underestimates the impact of transnational terrorism.

This volume provides an in-depth qualitative assessment of the three primary policy instruments implemented to counter the transnational threat of terrorism during the period 2001-2011; an approach somewhat neglected by the current body of literature which focuses on a purely quantitative methodology. Drawing upon previously unpublished data collected from interviews with policymakers, specialists and academics, the book fills this lacuna by ascertaining and analysing both the UK's and USA's counter-terrorism strategies and developing a holistic approach to understanding these strategies.

This book will be of interest to students of terrorism and counter-terrorism studies, security studies and IR in general.

Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its known as reading friends.

#### **Allison Lyon:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this US-UK Counter-Terrorism after 9/11: A qualitative approach can make you truly feel more interested to read.
