Corazón de Ulises (Spanish Edition) Javier Reverte

En *Corazón de Ulises*, acompañamos a Javier Reverte en su viaje por Grecia, Turquía y Egipto: un viaje con la cultura a cuestas.

Corazón de Ulises es un libro que, desde su primera edición, ha sido considerado un clásico de la literatura de viajes de nuestro país. Leído y estudiado en las universidades y recomendado también en numerosas guías, profundo y ameno, sabio y cercano, este libro reúne lo mejor de la literatura de su autor: la pedagogía y la emoción, el saber y la información, la poesía y la historia, el humor y la reflexión.

Javier Reverte nos cuenta en él su viaje por los territorios de la Grecia actual, pero también nos acerca a los territorios del ayer griego. Y funde en sus páginas la Grecia pretérita y la del presente. Cualquiera que viaje a la Grecia de hoy, pretendiendo entender al tiempo su imponente legado, debería llevar este libro con él. Porque *Corazón de Ulises* es un recorrido por la Grecia del presente escrito para quien lo quiera leer mientras viaja. Y también para los que, sin ánimo de viajar, deseen saber cómo fueron los caminos que trazaron los antiguos griegos.

Javier Reverte ha creado un género literario nuevo con su forma de contar la vida de las gentes. Recuperar una obra tan significativa en esta nueva edición es una forma de acercar la cultura clásica a los lectores ávidos de viajar y de saber, en un lenguaje tan eterno como nuevo.

From reader reviews:

Paula Cofield:

What do you regarding book? It is not important to you? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They need to answer that question simply because just their can do this. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need that Corazón de Ulises (Spanish Edition) to read.

Debra Davis:

In this 21st one hundred year, people become competitive in each way. By being competitive today, people have do something to make all of them survives, being in the middle of the particular crowded place and notice by surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yep, by reading a e-book your ability to survive improve then having chance to stand up than other is high. In your case who want to start reading a new book, we give you this Corazón de Ulises (Spanish Edition) book as beginning and daily reading reserve. Why, because this book is more than just a book.

Alma Lewis:

As people who live in typically the modest era should be up-date about what going on or facts even knowledge to make all of them keep up with the era that is always change and make progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice for yourself but the problems coming to you is you don't know what kind you should start with. This Corazón de Ulises (Spanish Edition) is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Marilyn Calhoun:

Nowadays reading books be than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want get more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining such as comic or novel. Often the Corazón de Ulises (Spanish Edition) is kind of book which is giving the reader erratic experience.
