FieldWorking, Bonnie Stone Sunstein and Elizabeth Chiseri-Strater's acclaimed textbook, is an engaging guide to the fundamentals of ethnographic study, complete with practical help for research and writing. Emphasizing civic responsibility and community engagement, *FieldWorking* incorporates examples by professional writers such as Mark Singer, Pico Iyer, Joan Didion, and Jamaica Kincaid, as well as student research projects on topics as diverse as a local truck stop, dinner clubs, blogging, and a horse sales barn, to help students identify and define their own subcultures and communities. Because students are connected to their research, *FieldWorking's* ethnographic approach makes projects fascinating and empowering for all students as they learn to observe, listen, interpret, analyze, and write about the people and artifacts around them.
