Reading this book and the required Scriptures may change your life forever. Learn about Christian customs that are contrary to the Word of God. The Christian Church, through the centuries, has become disconnected from the Jewish roots of the faith, missing many blessings from God and in the process neglecting the very purpose of the Church. Christians need to realize that the entire Bible is the Word of God and there should not be a separation between the Old and New Testaments. This book will be a valuable asset and tool for all Bible students.
