Mexico Today Ana Paula Ambrosi, Silvia D. Zarate

Viva Mexico! Border sharer. Major trade partner. Exporter of culture and citizens. Tourist destination. Mexico has always been of the utmost significance to the United States, with the shared 2,000-mile border, historical ties in mutual territory, and history of Mexican labor coming north and American tourists heading south. Fresh, current information on Mexico, the North American hotspot and gateway to Latin America, is always in demand by students and general readers and travelers. This is the best ready-reference on the crucial topics that define Mexico today. More than 200 essay entries provide quick, authoritative insight into the Mexican politics and government, society, institutions, events, culture, economy, people, issues, environment, and states and places. Written mostly by Mexicans and Mexican Americans, this set gives an accurate and wide view of the United States's dynamic southern neighbor. Each entry has further reading suggestions; a chronology, selected bibliography, and photographs complement the text.
