Dark magic and dark pasts haunt the characters in these short stories set in mysterious, exotic Thailand.

Ghosts and spirits and the real-life terror of despair besiege the pages of *The Phantom Lover and Other Thrilling Tales of Thailand*, horror stories by award-winning writer and longtime Thailand resident Jim Algie. In these tales you'll meet:

- A photojournalist who is literally haunted by the images of everyone he ever failed or exploited while getting a story.
- A drug trafficker-turned-writer who confronts vulnerability in his hard-as-nails partner in crime.
- An executioner who explores the nature of violence in a painful search for loving kindness.

For these characters, the naturally lush, deeply spiritual, and excitingly urban Thailand that is there home is also a place full of demons, a place where desperation is another word for normal. Each story follows their attempts to push through and make sense of the many different shades of darkness. *The Phantom Lover and Other Thrilling Tales of Thailand* warps the boundaries between the conceivable and the bizarre, and proves that the surreal can seem very real indeed.
