What could have been a quiet afternoon at home turns into an adventure for Jimmy and his dad. Their couch turns into a boat! The staircase becomes a mountain! And blankets become a cozy hut, just right to cuddle inside. The one thing they don't have to pretend is how much they love one another.

Jennifer Plecas's bold artwork and lively text come together in a celebration of imagination and the love between a parent and child. Great for Father's Day, but wonderful for any day that parent and child spend together.
