Both the Taylor's Guides to individual plant groups and the Taylor's Weekend Guides on basic techniques and popular gardening styles are highly acclaimed and well established. We now enthusiastically add a quick-reference series for readers who don't have the time or the experience to do their own research. Taylor's 50 Best books highlight the most attractive foolproof plants and include detailed information that every gardener needs in order to grow them. Color photos, full-color drawings, and growing tips make each plant entry useful and complete. Six books introduce the series and cover the most popular plants for backyard gardeners: perennials for sun, perennials for shade, herbs and edible flowers, roses, shrubs, and trees.
