## Add an exquisite touch to your work!

A sequel to the best-selling book, *The Beaded Edge*, this guide teaches beaders and crocheters alike how to add personal touches to a wide variety of fabric projects using gorgeous edges and embellishments. *The Beaded Edge 2* explores Traditional Turkish oya, the delicate edgings for fabric--created using thread, knots, and beads. Designer **Midori Nishida** was fascinated by these edgings, and created a series of them based on traditional motifs of flowers, fruit, leaves and vines, and geometric designs such as scallops or stars.

Step-by-step instructions for 18 edgings comprise the book, along with inspirational photos showing their use as trims for clothing, accessories, and home furnishing: everything from dresses, collars, pockets, cuffs, and hems; handbags, scarves, hats, and jewelry; and pillows, tablecloths, desk accessories, and kitchen linens. A section also discusses the history and traditions of Turkish oya.

*The Beaded Edge 2* combines rich Turkish traditions with diverse and captivating designs that you'll be proud to place on your pillow or around your wrist.
