The Rule of Barbarism: Pirogue Poets Series Abdellatif Laabi

Finally available in English, *Le Règne de la barbarie* by Abdellatif Laâbi is one of the most daring poetic visions of the second half of the twentieth century. First published in 1976 when Laabi was serving an eight-year prison sentence (1972-1980) for ‘crimes of opinion’ against the Moroccan State, *The Rule of Barbarism* is a devastating flight through consciousness, acquainting the reader with the trials of a society caught between a colonial past and the tragic realities of a brutal dictatorship. Analysing the presence of ‘barbarism’ inherent in all of us, and yet deepening our capacity for compassion despite the allure of revenge, this stunning debut from a writer on the threshold of a groundbreaking career can be read as an epic of love, empathy, anger and despair—and is as resonant today as when composed nearly fifty years ago.
